RESOLVED, That three members of the Jockey Club shall be appointed Stewards, and to commence their office on the fourth of June annually. One new Steward to be appointed every year on the third day of June, by the Steward who quits on that day, subject to the approbation of the members of the Jockey Club then present.

THE first and second vacancy of the three Stewards now named, are to be settled by drawing lots, and ever afterwards the senior Steward is to quit his office on the third of June annually.

RESOLVED, That the three stewards, or any two of them, shall be vested with full powers to make such regulations as they think proper in regard to the exercise ground and course.

AND that the three Stewards concurring, shall have it in their power to appoint such person or persons as they may chuse to keep the coffee-house, match-book, receive the stakes, and to collect the entrance money, and all other funds belonging to the Jockey Club.

THE Stewards are to be responsible to the Jockey Club for all the money collected, as belonging to the club, and, for the stakes made, and delivered to the person or persons appointed by them for that purpose.

THE Stewards shall have it in their power to fix the hours of starting for each match, &c. but they shall be obliged to fix those hours of starting by eight o'clock on the evening preceding the day of running.

THE accounts are to be produced by the Stewards annually on the third of June.

RESOLVED, That in case any gentleman who keeps running horses has cause to complain of any feeder, rider, groom, boy, or other person employed by him, or intrusted with the knowledge of trials, of having discovered them directly or indirectly, by betting or wilfully in any other way (unless so allowed to do by his master) or if

any person as aforesaid, living with any gentleman, shall be discovered in watching trials himself, or procuring other persons so to do, or by any unfair means whatsoever endeavouring to discover trials, on such complaint being carried to any one of the Stewards, that Steward is to summon a general Jockey Club Meeting, as soon as convenient, which meeting is to appoint a committee of three members to examine into the accusation, and in case they shall be of opinion that the person or persons is or are guilty of it, then the persons so found guilty shall be dismissed from the service of his master, and the said persons shall not be employed by any member of the Jockey Club in any capacity whatsoever, nor shall any horse, &c. fed, or rode by him or them, in the management of which he or they are concerned, be suffered to start for plate, match, or subscription.

RESOLVED, That the names of the persons found guilty of these offences, shall be exposed in the Racing Calendar, and inserted in a paper to be fixed up in the coffee room at Newmarket.

I. IT IS AGREED, That a copy of all stakes to be made for matches, subscriptions, and sweepstakes, and the day and hour of shewing, or entering, shall be fairly wrote out and fixed up by the order of the Stewards on the side of the chimney piece at each end of the coffee room, on the Sunday evening before each meeting, to continue there each day of the meeting, as notice for staking, shewing, or entering, and no other shall be insisted upon.

II. A DAY BOOK shall be kept by the persons appointed by the Stewards, and continue in the coffee room, in which shall be entered an account of all matches, subscriptions, and sweepstakes, to be run for each day, within that meeting, and as the different stakes are made, the payments shall be marked to the names of the persons so paying.

III. ALL STAKES shall be made in cash, bank bills, bank post bills properly indorsed, bankers notes payable to bearer, or bankers notes payable to order also properly indorsed, and not otherwise, without the consent of the party or parties present concerned in the match, subscrip-

IV. ALL STAKES for matches, subscriptions, and sweepstakes, shall be made before starting for the same, and in default thereof by any person, he shall forfeit in like manner as if he had not produced his colt, filly, horse, or mare, to start, and shall have no claim to the stake or stakes of the match, subscription or sweepstakes, should his colt, filly, horse, or mare, have started and come first; and the said colt, filly, horse, or mare, shall be considered in regard to all bets whatsoever, as if forfeit had been paid; and this to remain in full force as an established agreement of the Jockey Club, unless such person has previously obtained the consent of the party or parties present, with whom he is engaged, to dispense with his making his stake as aforesaid.

V. ALL FORFEITS unpaid before starting for any match, subscription or sweepstakes, shall be paid to the persons appointed by the Stewards to receive the same, at the coffee room, before 12 o'clock at night of the day such forfeits are determined; and each person making default therein, shall forfeit and pay to the persons so appointed by the said Stewards, after the rate of five pounds for every hundred pounds so forfeited, which shall be disposed of by the said Stewards towards such uses as they shall think fit.

VI. AND in order to prevent frauds, notice shall be given, that if any person make any bett or betts from signal or indication, after the race has been determined at the post, such person is not intitled to receive, or liable to pay the same, as such bett or betts are fraudulent, illegal, and totally void, and that if any servant belonging to a member of the society shall be found to have made or engaged in the making any such bett or betts he shall be dismissed his service, and no further employed by any member of this society.

RESOLVED, That all forfeits or money paid on compromising any match or sweepstakes shall, bona fide, be declared and entered in the day book, in order that all betters may be put upon an equality with the persons who

had the match or sweepstakes, and may thus be ascertained in what proportion they are to pay or receive.

RESOLVED, That the Stewards of the Jockey Club shall appoint some proper person to examine every colt or filly, being at the age of two, three, or four years, at the ending post immediately after running, the first time any colt or filly shall start for any plate, match, sweepstakes, or subscription at Newmarket, and the said appointed person is to sign a certificate of such examination, and his opinion thereupon, which certificate is to be hung up before eight o'clock the evening of the said day of running in the coffee-house at Newmarket—But for all plates, matches, subscriptions, or sweepstakes, where the colt or filly are required to be shewn before running, the examination as above-mentioned shall be made at the time of shewing them, and the certificate of the person appointed shall immediately in like manner be fixed up in the coffee room at Newmarket.

SPRIGHTLY, the sire of Pyrrhus, will cover the ensuing season, 1772, at Newmarket, provided he can have twenty mares, at twenty-five guineas each mare; those gentlemen who intend to cover with Sprightly, are desired to send their names and numbers of mares, to Mr James Weatherby, at Newmarket, before the 31st of December, 1771, otherwise (if the above number is not compleat by that time) he will cover in Yorkshire, which will be advertised in proper time.

Sprightly was got by old Cade, his dam by old Cartouche, his grandam was the dam of Snap.

To cover the ensuing season at Mr William Kirkham's, at the sign of the Horse and Jockey, on Worley Common, near Brentwood, Essex, at five guineas a mare, and one shilling the man, the noted brown bay horse, well known by the names of BABRAM, TARPAULIN, and TRAP-LIN. He is full 15 hands high, and when in the possession of his Grace the Duke of Kingston, he won the following prizes, viz. 50l. at Alford, 50l. at Louth, 50l. at Leicester, 50l. at Stamford, 50l. at Peterborough, 50l. at Lin-

coln, 50l. at Swaffham, and a sweepstakes of 300 gs at Newmarket; he was got by Babraham, a son of the Godolphin Arabian, and out of Mr Grifewood's famous firetail mare.

There will be good grass for mares, and proper care taken of them. The money to be paid at the time of covering, or when the mares are taken away.

At the same place will cover, at a guinea a mare, and one shilling the man, a beautiful BAY HORSE. Rising 5 yrs old, full 15 hands two inches high, a star on his forehead, and two white heels; he is well master of twenty stone; he was got by a son of old Peacock, who won three 50l. plates, and out of an exceeding strong and good hunting mare. The money to be paid at the time of covering.

To cover, BOSPHORUS, at the castle at Epsom, at three guineas a mare, and five shillings the servant; the money to be paid before they are taken away. There will be good hay, grass, &c. and proper care.

Bosphorus is upwards of 15 hands high, of just proportion, very healthful, and free from all blemish, and in his time a good racer, both with high and low weights. For particulars see Heber's Books, from 1763 to 1768.

IN A. B. The proprietors not being breeders, and there being such a number of stallions that he has had but few tolerable bred mares: notwithstanding, it may be said of him more than can be said of many which have had a much better chance, one of his first year's get, and the first which was trained, won five 50l. prizes at 4 years old, which makes it clear of doubt, if he had an equal

equal number of good mares, would get as many good racers as any of the present stallions. He covers at this low price, as the public in general may not think it too high to get hunters, which he is allowed to be an extraordinary horse for, as his get are remarkable good goers, and boney, several of which have been sold for 100l. each for hunters.

To cover this season, 1772, being the property of Barnard Smith, stud groom to his Majesty, at the great Lodge in Windsor Great Park, Berks, at 3 gs per mare, and 3s the man. The money to be paid at the time of covering, or when the mares are taken away,

The bay horse called DUNCE, own brother, by horse and mare, to Mr March's famous horse Holy-Hock.

DUNCE is a fine blood bay, with three white heels, a blaze down his face, and is able to carry 18st. He never started but twice. He won the 800 gs sweepstakes at Newmarket in April 1764; is entirely clear from all natural blemishes of what kind soever, this being the third season of his covering.

Good grass for mares, with proper care.

The GIBSON ARABIAN will cover at Brand's, at 10 gs, and 5s the servant. This horse

horse is sire of Mr. Watson's Steady, Mr Cox's Tribune, and Mr C. Blake's Gibbowlsey; and from the promising appearance of the young ones of his get, now in training, he bids fair for being as good a stallion as any in England.

Good grass, and all kinds of conveniencies for mares and foals, and the greatest care taken of them.

N. B. Brand's is two miles from Hampstead, and four from London.

MATCH'EM will cover mares this season at Mr. Arrowsmith's, at the sign of Old Cade, near Catterick Bridge, at 20 gs a mare, and 5s the groom.

BRILLIANT will cover the ensuing season at West Harling in Norfolk, at 10 gs a mare, and 5s the groom. The money to be paid before the mares are taken away.

I here will be good grass, and all sorts of conveniencies for the mares, and proper care will be taken of them.

To cover the ensuing season, at Billey, Gloucestershire, **BRITANICUS**, ten years old, full fifteen hands one inch high, quite fresh, sound and healthy, at two gs. and a crown each mare, bred by Mr Aldridge, got by the Duke of Ancaster's old Blank, a son of the Godolphin Arabian, his dam which was Creeping Molly, esteemed the best mare racer of her time, and was also the dam of Americus, by old Second a son of the Devonshire Childers, grandam by Evans's Arabian, great grandam bred by Sir William Morgan, and got by his old Cartouch, son of the old bald Galloway.

He was lamed the latter end of his five years old, year before then was a good runner, covered only three seasons, the stock of his get are remarkably strong, large, boney, and very clever; and from proper mares is as likely to get racers as any horse in England.—Good grafs for mares, and proper care taken to have them stinted.

At Stapleford near Nottingham, **SPORTSMAN**, will cover the ensuing season, 1772, at five guineas a mare, and five shillings the groom. He was got by old Cade, son of the Godolphin Arabian, and out of old Silvertail, the dam of Careless, Fearnought, Whimley, which was Dragon's dam, &c. He was got by the Cullen Arabian, out of a daughter of North Diamond, which was out of Borlase Warren, Esq; Blue Eyed Susan. Susan was got by a son of Sir John Harpur's Barb, and out of Mr Walter Burdet's old Child mare, which was the dam of Lord Tracey's Whimsy, and great great grandam of Careless; the old Child mare was got by Sir Thomas Gresley's Bay Arabian, and out of a mare of Mr Cook's called Vixen, which was out of the dam of Dodsworth, and got by the Helmley Turk. Camillus won the four years old plate at Lincoln, the five years old plate at Nottingham, and the King's 100 gs. at Litchfield; beating Mr. Fenwick's Dutchels with very great ease, and several others. At six years old he run three hard heats against Dutchels at Nottingham, (though out of condition) and won the first heat from her at Lincoln very easy, but was lame before he started for the second, and never stood sound after. He never covered but three bred mares. He is the sire of Mr. Vernon's Minister, a horse of the late Mr. Pigot's, that won the first plate he started for, and of Mr. Fenton's Wolfe, which won a 50l. plate at Litchfield.

To

To cover the ensuing season, 1772, at Edward Ball's, at the sign of the Hartshorn, in the city of Litchfield, in the county of Stafford, at 2 gs. each mare, and half a crown the groom, the noted brown horse DRAGON, late Mr. Warren's, he was bred by him and got by old Regulus (fire of Careless, and many other capital runners, as also of the dam of Eclipse, &c.) his dam by Lord Cullen's Arabian (fire of Mr. Williams's old Moscoe, and Mr. Warren's Camillus who beat Mr. Fenwick's famous mare Dutches, for the King's plate at Litchfield) his grandam was the dam of Careless, Sportman, and Fearnought.

Mr. Cross's Golden Fleece is out of an own sister to Dragon. The Duke of Kingston's Crony and Sir C. Sedley's Regulator, are both got by Careless out of Cullen mares, their blood is therefore centered in Dragon, he being own brother to Careless, with the additional cross of the Cullen Arabian.

Dragon is fire of Junius, who won several plates at four years old, and who last year won the 5 yrs. old plate at Chester, and the aged plate at Nottingham, beating Sir C. Sedley's Greyling. He is also fire of Mr. Jordan's mare Sting'em, who won the 4 yrs. old plate at Derby, and (though lame) beat Mr. Barry's Ragamuffin the last heat at Chester last year. He is also fire of Mr. Wooley's Whynot, who won at Worcester and Shrewsbury, beating Flimnap, and of Mr. Stevenson's 4 yrs. old mare, who won at Chester and Knutsford, and of Mr. Malkin's Ruland who won at Derby.

As Dragon has produced many good runners (though he never had five bred mares in any year) and is nearly allied to many capital ones,

ones, much may be reasonably expected from him as a stallion for the Turf, many of his get from their bone size and fashion, have been sold at high prices for hunters out of common mares.—Good grass for mares.

To cover at Gibbon's Grove near Leatherhead, Surry, MASK, at 30 gs. a mare and 5s the servant.

SCAMPSTON CADE, will cover at the same place at 5 gs. a mare.

He is son of old Cade, by Selima, grandam of Herod, was bred by Sir William St. Quintin; at 5 yrs. old he won a 50l. at Beverly, and the 300 gs. subscription at York, against Trunnion, Spanker and Danby Cade; at 6 yrs. old a 50l. at Grantham, and the King's plate at York. Scampston Cade is the sire of Thunder and Little Davy, he is a very strong horse, very healthy and fresh: Selima run in a high form for the King's 100 gs. at Hambleton against fifteen, it being judged by many a dead heat for the plate between her and another, and submitted to Arbitration, but given against her; she afterwards won the 90 gs. cup at Lincoln against Lord Portmore's Oedipus, who was never beat before.

YOUNG SNAP, will cover at the same place at two gs. a mare; he was got by Old Snap, and is own brother to Hyena; he is master of 20 stone. Good hay and corn and

N. B. His get are remarkably fine shaped with great size and bone; and those from bred mares the oldest of which are two past, are thought by the owners to be very promising for racers.

The fine brown horse **PETRUCHIO**, late Jennison Shafto's, Esq; deceased, will cover mares the ensuing season, at Mr. Townshend's, at Egham hill, at 3 guineas a mare, and two shillings and sixpence the servant. He was got by Snap, his dam by old Cade, and she out of a daughter of old Slammerkin, and got by a full brother to old Eabraham; Slammerkin was the dam of Black and all Black.

Petruchio, when four years old won the great sweepstakes at York, beating Blue Cap, and Sulphur, and five more with great ease; and in April following, he won the 140 guineas sweepstakes at Newmarket, beating Snipe, and Javelin and three more, though Snipe beat Chatworth twice in that year; and in May following Petruchio won the Ascot heath subscription beating Hermione, and five more subscribers; and in the

the same meeting, he won the 140 gs subscription, against six more subscribers, and after that became a trial horse: and in the Spring following, though harassed with private work, indiscreetly gave his year, and started with 12 stone, though well master of it, fell lame, and was beat, and could never after be said to be sound: and though so injured, the last time he started, he beat Gimerack, Chalfont, and several more.

Petruchio shall cover any mare gratis, that has bred a horse or mare that has won a royal plate, or any mare that has won two plates; he is 15 hands 2 inches high, and well in bone.

N. B. Good grass, and proper care will be taken of the mares. The money to be paid before the mares are taken away.

TORTOISE, the property of Mr Donnot, will cover the ensuing season, at Scarborough, at five guineas a mare, and a crown the servant. The money to be paid before the mares are taken away. Good grass for mares, and proper care taken of them.

Tortoise was got by Snap, his dam by Shepherd's Crab, his grandam by the Godolphin Arabian, which mare was own sister to Amelia. He is in perfect health, and free from all blemishes.

SNAP, late Mr Latham's, will cover mares at Mr Sparrow's, at Sutton, near Epsom in Surry, at five guineas a mare, and five shillings the servant. Plenty of grass, &c. with due attention to the mares. The money to be paid before they are taken away.

Much with strict justice might be said in favour of Snap, and his colts; but let it suffice that he has the best constitution of any known

stallion of the present age, with blood and shape superior to most; and if he had been in the hands of any man of spirit, it is not doubted but he would have made the capital horses of that time submit to his invariable powers, over the beacon, or any other course.

Snap was got by Mr Shaffo's Snap, his dam by old Cade, his grandam by Partner (which mare was the dam of Dormouse) his great grandam by Makeless, his great great grandam by Brimmer, his great great great grandam by Place's White Turk, his great great great great grandam by Dodsworth, out of a Layton barb mare.

To cover the ensuing season, near Newmarket, timely notice of the place of covering will be given.

CHYMIST, own brother to Dux.

CADORMUS, got by old Cade, out of Dormouse's dam; she was got by old Partner, and was own sister to Match'em's dam.

BANDY, got by old Cade, his dam by old Partner, and was called Vane's Little Partner

Also at five guineas a mare and a crown the servant, **OMNIUM**. He was got by Snap, out of an own sister to young Cade.

Also at five guineas a mare, and a crown the servant, **NISUS**. He was got by Squirt, out of an own sister to Blank and Old England.

And also at five guineas a mare, and a crown the servant, the fine **BROWN ARABIAN**, late his Grace the Duke of Northumberland's; he is the sire of Nonfuch, that won the 800 sweepstakes at Newmarket, and of Acteon, that won several

several matches and places, and of Mr Parker's mare, that won several plates, and of Mr Shaftes's Mithras, that won the 500 sweepstakes at Newmarket, in October 1769, now Mr Strode's Prizefighter, and won four or five plates this year, and also of Sir John Douglas's colt Philippo, that won two plates at Ayr this year; there are not above two more of this horse's get have yet started.

He will stand at his own stable at Rotherhithe. Enquire for the groom at the Europa inn, Rotherhithe.

Mr Bell's GREY ARABIAN will cover at Mr Carver's at Goulder's Green, near Hampstead and Barnet, Middlesex, at ten guineas a mare, and five shillings the groom.

The best conveniences at a reasonable rate.
